

WebbSecured - CMMC Level 1 Assessment Assistance

WebbSecured - CMMC Level 1 Assessment Assistance

Overview

WebbSecured offers expert assistance to help your organization prepare for and pass a CMMC Level 1 assessment. CMMC Level 1 focuses on the implementation of 17 basic cybersecurity practices to safeguard Federal Contract Information (FCI).

Our Services

- Gap Analysis of current cybersecurity controls
- CMMC Level 1 Readiness Assessment
- Security Awareness Training
- Implementation Support for Foundational Practices
- Policy and Procedure Templates
- Evidence Collection Guidance
- Pre-Assessment Mock Interviews

Key Benefits

- Expert guidance from experienced CMMC professionals
- Accelerated compliance process
- Avoid common pitfalls that delay certification
- Peace of mind knowing you're audit-ready
